

Summary

Centurion Transport's Yard at 13 Yagine Close, Perth Airport WA 6105 (Depot 1), is undergoing changes which will come into effect on: **Monday 24th August 2026**

PLEASE SEE MAPS/DIAGRAMS ON THE PAGE OVER

General Route (GREEN)

- The new General Route is marked with **GREEN** arrows on the map below.
- Direction will be given by Centurion Workers and the Security Hut on your arrival.
- There are **TWO** separate lanes for deliveries under the awning:
 - All rigids and semis **MUST** use the outside **"Heavy Vehicles"** Lane as shown on the following page.
 - Vans / Utes with small quantities of pallets/skids **MUST** use the inside **"LVs with Pallets"** Lane shown on the following page.

Linehaul - Dock – Chiller – Freezer Route (LIGHT BLUE)

- Trailers and Rigid's delivering Perishable/Fridge/Freezer freight via the Dock are to travel down the route marked with **LIGHT BLUE** arrows to access the Dock and be unloaded as normal.
- Vendors delivering to the Centurion Workshop are to travel along the **LIGHT BLUE** arrows and access the Workshop to be unloaded as normal.
- Other traffic may be directed down the by the **LIGHT BLUE** arrows by the Security Hut or Centurion Workers as required.

ROADS MARKED RED ARE FOR CENTURION TRAFFIC ONLY

PLEASE FOLLOW ALL DIRECTIONS OF SECURITY AND CENTURION STAFF

CENTURION STAFF WILL BE AVAILABLE IN THE YARD FOR ANY ADDITIONAL QUESTIONS

UPCOMING - Perth Airport Depot – Traffic/Yard Changes
