# The benefits of OLS

### Online Booking Details

We encourage you to access our online systems. It is a simple and quick process, just email our OLS Team at [ols.support@centurion.net.au](mailto:ols.support@centurion.net.au)

Please provide the name, email address and phone number of all users who require logins, including internal users and approved suppliers. This assists us in providing our customers with the best possible experience and provides peace of mind in tracking consignments online, with the convenience of real time results.

### Benefits of Booking Online

-  **Ease of Booking** - Using our online portal allows you to book consignments and pick-ups directly within Centurion's freight tracking system.
-  **Tracking** - Step by step visibility of all movements at various stages of the supply chain process.
-  **Sign on Glass** - Removes paper from the booking process and allows Centurion to obtain electronic sign-on-glass Proof of Delivery.
-  **Speed of Consigning** - Range of other features that allow you to save 'draft' consignments or clone a previous consignment to easily create a new one.
-  **Real Time Updates** - Centurion's valued customers benefit from the improved efficiency and visibility offered by a digitised workflow.
